## ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

**1. RATE INFORMATION --** The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Main Savings, Secondary Savings, Vacation Club, Christmas Club, IRA Savings, Performance Money Market, and Plus Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule.

**2. NATURE OF DIVIDENDS --** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**3. DIVIDEND COMPOUNDING AND CREDITING --** The compounding and crediting frequency of dividends and

the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

**4. ACCRUAL OF DIVIDENDS --** For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Main Savings, Secondary Savings, Vacation Club, Christmas Club, IRA Savings, Performance Money Market, and Plus Checking accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Vacation Club and Christmas Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

**5. BALANCE INFORMATION --** To open any account, you must deposit or already have on deposit the minimum required share(s) in a Main Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements

applicable to each account are set forth in the Rate Schedule. For Performance Money Market and Plus Checking accounts, there is a minimum average daily balance required to avoid a service fee for the dividend period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Fee Schedule. For Performance Money Market and Plus Checking accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

**6. ACCOUNT LIMITATIONS --** For Main Savings, Secondary Savings, IRA Savings, and Performance Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means

of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee, be closed, converted into another type of account, or entries exceeding these limitations may be rejected without prior notice. For Vacation Club accounts, the entire balance will be transferred to another account of yours on or after June 1 and the account will remain open. You may not make withdrawals from your VACATION club accounts at any other time. If you wish to access the funds in your account, you may close it. If you close your Vacation Club accounts, you will forfeit all accrued, uncredited dividends. However, any accrued dividends will be paid to you if the withdrawal occurs within seven (7) days of the date the account is opened. For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after November 1 and the account will remain open. If you wish to access the funds in your account at any other time, you may be charged a fee. If you close your Christmas Club accounts, you will forfeit all accrued, uncredited dividends. However, any accrued dividends will be paid to you if the withdrawal occurs within seven (7) days of the date the account is opened. For Essentials Checking accounts, there is a required \$300.00 Direct Deposit or allotment per month, a monthly maintenance fee as disclosed in the Fee Schedule, no check writing privileges, no courtesy Pay, no Bill Pay, and Shared Branching is not allowed. For Plus Checking and Simple Checking accounts, no account limitations apply.

**7. FEES FOR OVERDRAWING ACCOUNTS --** Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
