

Ways you can benefit from the Economic Stimulus payment!

FIRST THINGS FIRST	ASK FOR ADVICE	SAVE! SAVE! SAVE!
<p>Take care of your immediate needs first – house payment, utilities, and especially food. Check with your utilities/internet/phone providers! They are working with customers to keep the power on and internet working.</p>	<p>Talk with one of our Financial Service Representatives to find out all that CPM is offering during these uncertain times. We have low interest loans, loan modifications and Skip a Pay options so you can use your Stimulus payment for other needs.</p>	<p>Set aside some of the funds for future bills. You will have the peace of mind of knowing that it is there if you need it!</p>
KEEP MONEY SAFE	BE AWARE	REMEMBER TAXES
<p>No need to keep your cash stuffed under your mattress. Keep it in your account where it is safe and accessible.</p>	<p>Fraudsters are upping their tactics. Be aware – you should never give personal or account information over the phone or email. If it sounds too good to be true, then it probably is! Be safe! Reach out if you have questions.</p>	<p>The deadline for income tax filing is July 15th. Be sure to set aside the funds needed to make the payment.</p>
