

Empowering members and our community with opportunities for a brighter financial future.

LIFE HAPPENS MONEY MATTERS

CPM provides resources to help you keep your employees financially healthy. As a partner company of CPM these resources are free and easily accessible.

FINANCIAL WORKSHOPS

These financial workshops can be held virtually or in-person. Topics include: Budgeting, Home Buying, Dealing with Debt, Cutting Expenses, Insurance 101, Saving for College with SC 529, Estate Planning, and many more. We can even customize a workshop to the needs of your employees. To see a list of upcoming and recorded webinars [click here](#).

NEW HIRE ORIENTATION

CPM would love to be part of your New Hire Orientation process. We can utilize GoToMeeting, GoToWebinar or Microsoft Teams to interact with your employees. We can also create a custom video that can be shared during your orientation process. To inquire about a custom package of materials for your company email us at bd@cpmfed.com

VIRTUAL 1-ON-1

Even though we can't physically visit with your employees during the pandemic, we are still available for individual meetings virtually. Employees can simply scan the QR code to the right to book a 1-on-1 meeting with one of our Business Development representatives.

MY WAY SAVINGS

This is a unique account only offered to employees of our partner companies. The MyWay savings offers a premium rate with no minimum balance. CPM will even match first deposit up to \$25. All MyWay account holders with an automatic deposit are entered in a quarterly drawing for an additional match.

ONLINE EDUCATION

CPM Federal Credit Union Learning Center has a virtual library of financial wellness resources. Here, you can find information on financial counseling, money management techniques, handling your checking account, and an interactive program on personal finance. We offer these programs exclusively to our members, and most importantly, they're FREE! [Click here](#) to access the Learning Center.
