A Quarterly Publication for the Members of CPM Federal Credit Union

A message from our CEO

At CPM, we are committed to protecting the credit union movement while adapting to meet our members' needs.

Fighting to Protect Credit Unions

Once again, banking lobbyists are pushing Congress to revoke credit unions' tax-exempt status. This exemption allows us to offer better rates, lower fees, and member-focused service. In the 1990s, a massive grassroots effort successfully defended credit unions. Now, we must rally again. We're working with industry leaders to protect our cooperative model. Take Action Now and contact your local representatives by visiting <https://www.donttaxmycreditunion.org/#take-action>

Our exit of Shared Branching

After careful review, CPM will exit the Shared Branching network on April 26, 2025. This means members will no longer have access to other credit unions' branches, and guest members will no longer be served at CPM locations.

As an early adopter, we valued Shared Branching's cooperative spirit. However, participation has declined, and with the rise of digital banking, we must shift our focus. Our digital platform, rated 4.9 stars on the Apple App Store, provides convenient access to banking anytime, anywhere.

What's Changing?

Shared Branching access ends April 26, 2025
No impact on ATM access—60,000+ surcharge-free ATMs remain available

Our digital banking offers:

- Transfers & payments between CPM accounts & linked institutions
- Zelle® for payments to friends & family
- Remote check deposits

As we look ahead, we remain dedicated to enhancing member access, financial security, and digital innovation. Whether it's advocating in Washington or improving banking technology, CPM is here to serve you.

Thank you for being part of the CPM family! ❤️

CPM STAFF WILL NEVER ASK YOU FOR A TEXT VERIFICATION CODE!

Fraudsters continue contacting CPM members via phone calls, text messages, emails, or chat and are **pretending to be CPM's fraud team**. The fraudster claims that they have identified fraud on your CPM account, and requests that you "verify your identity" by providing them with personal information or a text verification code that they claim to be sending you. They may also ask you to verify information such as card number, PIN and CVV/CVC, providing everything they need to counterfeit your card and take over your online banking, locking you out of your own account.

If you receive a text verification code, it is critical that you DO NOT SHARE this code with anyone. Financial institution employees will never ask for this verification code, and if you provide this code to someone you are handing them access to your account. It is part of an automated password reset system and should only be initiated and used by YOU!

DO NOT RESPOND DIRECTLY to text messages or phone calls that appear to come from CPM. If you doubt that you are speaking with a real CPM staff member, call us back separately using a known phone number that you dial, or come into a branch. Phone numbers can easily be "spoofed" to make it appear to be CPM calling, but it may actually be a scammer on the line.
